InterHealthCanada
Turks and Caicos Islands Hospital

ABOUT US

The Turks and Caicos Islands Hospital has been accredited at the Diamond level since March 2012. This is the highest level achievable with this internationally recognized accreditation body. The accreditation process is robust and we are proud of our achievement as one of the few accredited hospitals within the Caribbean. Specialists in the area of Plastic Surgery, Urology, Neurology Ophthalmology, Oncology and ENT offer specialty clinics and conduct surgical procedures. These specialty consultants visit the island on a quarterly basis.
